DESIGN & SELECTION

INSTALLATION

A FLEXIBLE, PROGRAM-BASED APPROACH

Investment is determined by the scale of the space, service frequency, and floral or plant selection. Programs are designed to align with both the environment and the desired level of ongoing care.

WHAT INFLUENCES INVESTMENT

- Service frequency (weekly, bi-weekly, or monthly)
- Size and number of installations
- Floral volume or plant selection
- Vessel and container styling
- Access and installation logistics

SERVICES MAY BE STRUCTURED AS:

- One-time installations
- Ongoing floral or plant programs
